Introduction to the MIDS Community Assistance Package Workshop #1

August 28, 2012

Time: 6:30-8:00pm

Location: East Bethel City Hall

Pilot Community Workshop Goals

- ✓ Review and consider recommendations to existing ordinances and standards.
- ✓ Discuss the adoption of the MIDS Community Assistance (Model Ordinance) Package
- ✓ Establish teams of city council, planning commission members, and staff that will work towards revisions and changes.
- ✓ Set a framework for city resolutions and adoptions of ordinance revisions by the end of 2012.

Agenda

1. Introductions and objectives of the MIDS Community Assistance Pilot Project
2. Local Land Use and Water Quality – Making the Connection (NEMO presentation)
3. Summary of MIDS Model Ordinance Package
4. Pilot community ordinance audit highlights
5. Next steps and setting work sessions

Next Workshop Dates: *To be determined*

Acknowledgements

This series of workshops and efforts of the Community Assistance Package are made possible through the Minnesota Minimal Impacts Design Standards (MIDS) project with funding from the Federal Clean Water 319 Program. In addition to the work team members previously listed, multiple partners contribute to these assistance efforts including the Minnesota Pollution Control Agency, Chisago and Washington Conservation Districts, Chisago Lakes Improvement District and the support and participation of city leaders and staff.
