RESIDENTIAL SIDING REQUIREMENTS

- Fill out a Permit Application
- Flashing is required above doors and windows. Photos of the house wrap can remain on-site and taped to the front door. When the project is finished and the Electrical Inspection has been completed, please call the building department at (763) 367-7856 for a Final Inspection.
- An Electrical Permit is required along with an Electrical Inspection. Call Brian Nelson at (763) 434-4853 Monday through Friday 7:00 – 8:30 a.m. to schedule an Electrical Inspection.
