The application for a **VARIANCE PERMIT** is processed in three separate review steps:

- 1) CITY STAFF
(Applicant is required to meet with City Staff **prior** to submittal of the application.)
- 2) PLANNING COMMISSION
(Public hearing and recommendation to the City Council)
- 3) CITY COUNCIL
(No public hearing required)

The following information is required to be submitted in support of the variance thirty (30) days prior to the scheduled Planning Commission meeting date.

- Completed application and fee/escrow
Legal description of property (located on deed)
Evidence of ownership or an interest in the property
- Certification of Taxes Paid. Prior to approving an application, the Applicant shall provide certification to the City that there are no delinquent property taxes, special assessments, interest, or City utility fees due upon the parcel of land to which the variance relates.
- Letter explaining reasons why a variance is needed and what the hardship is to justify the variance. Also explain in the letter what the existing use of the property is and if there is a proposed change in use.
- Certificate of Survey, to scale, showing applicable existing and proposed conditions including property lines and dimensions, building location and setbacks, dimensions of building, curb cuts, driveways, access roads, parking, off-street loading areas, septic system, and well; locations of neighboring septic systems and wells. If the proposed variance is located in the Shore land Overlay District, it is required to have the impervious area (hard surface) calculated and shown on the survey. This includes hard surface patios, driveways, houses, garages, etc. Properties in the Shore land Overlay District are required to have an impervious surface of no more than 25 percent (**3 copies – 11 x 17 – see handout on Survey/Site Plan for survey requirements**).
- Certificate of Survey identifying Grading and Drainage Plan – 11 x 17 – to scale (**existing and proposed 2-foot contours, see survey handout**)
- Proposed architectural elevations and floor plans of the addition or structure
- On variances requesting second (2nd) story additions, proof of structural integrity of lower level and footings by a licensed engineer shall be provided.
- Wetland delineation report and soil conditions report if deemed necessary by City Staff
- Any other information City Staff may request

Submitted Subsequent to City Council Approval

- Variance Agreement for signature and recording if variance is approved by City Council

Additional Notes

- The City Council meets on the first (1st) and third (3rd) Wednesday of the month.
- The Planning Commission meets on the fourth (4th) Tuesday of the month.
- Make sure you give yourself enough time to receive approvals from all reviewing agencies.
- If the variance takes place on a wetland, than you may have to fill out the Joint Application Form for Activities Affecting Water Resources in Minnesota
