

East Bethel Candidate Profile

Candidate Name: Dan Dobbs

Office Sought: City Council

Bio:

Retired

I have lived in East Bethel for over 50 years.

I love this community and want to maintain the values we have.

I worked in the East Bethel Maintenance Department for over 25 years (retired). During my years of working in East Bethel, I have seen the growth and expansion, residential and commercial, of our community.

I have volunteered for many nonprofit organizations in my life. I was involved with Tribute to the Troops and Patriot Guards. Visiting Gold Star families and supporting their sacrifice to our Country. I am currently involved with local community organizations like the Seniors and the Lion's (helping out with the monthly recycling events, yearly giving events).

I have been involved with the Booster days for over 5 years, organizing the classic car show and supporting all the activities for Booster days.

My hobbies are: classic cars, motorcycles, hunting and fishing. Enjoying my family and friends.

Why am I running for City Council? I like to see our residents be treated with more respect, without biases or disrespect to their issues or concerns. I want to restore respectful action to the city council. I want support our cities progress within the limits of the vision and values of East Bethel.
