

East Bethel Candidate Profile

Candidate Name: *Dino Perfetti*

Office Sought: *City Council*

Bio:

I am Dino Perfetti and I am running for the City Council of East Bethel.

As a dedicated resident of East Bethel for the past 25 years, and a proud member of Anoka County for 38 years, I have deep roots in this community and a genuine passion for its future. I currently serve as the President of Automotive Concepts in New Hope, MN, and have previously held the position of Chairman of the SEMA PRO Council, where I had the privilege of advocating for the automotive industry. During this eight-year commitment, I was gifted the opportunity to attend multiple trips to Washington, D.C. alongside 75 other industry leaders. These experiences have shaped my belief that our voices matter, and I am committed to bringing the voices of East Bethel residents to the forefront.

I believe in standing up for what is right, even when it may not be the easiest path. Too often, I have witnessed decisions made for the sake of convenience rather than the best interests of our community. I am here to ensure that your concerns and ideas are not only heard but acted upon.

One of my primary goals will be to strengthen the relationship between the City Council, Police, and Fire Departments. Public safety is an integral part of community development. I believe that fostering this partnership is essential to creating a safe and secure environment for all residents of East Bethel. A focus on safety not only protects residents but also fosters a thriving community. As our community continues to grow, it is vital that we maintain the rural charm that draws so many of us to this area while carefully navigating the changes necessary for our development needs.

I am dedicated to listening to your concerns and addressing the issues that directly impact our lives. Together, we can transform a city that we are all proud to call home. I humbly ask for your vote on November 5th, and I am confident that with your support, we can make a meaningful difference for East Bethel. Thank you, and God bless.
