

East Bethel Candidate Profile

Candidate Name: Narendra "Ram"
Ramnarine

Office Sought: City Council Member

Bio:

Hello, I'm Ram, and I'm running for City Council.

Since moving to Minnesota many years ago, I have graduated with a degree in criminal justice and became a homeowner in our beautiful city of East

Bethel with my wonderful family. Since living in this beautiful city, I've come to meet many of my amazing neighbors who are always willing to give a helping hand. I'm running for City Council because I'm very proud of where I live. I would like to preserve the essence of our city for our younger generation. With the City Council, we can build a vision to ensure our city will be a great place to live and grow for our children and grandchildren.

As a City Council member, I will contribute to decisions that: **CREATE** an environment for established and new local businesses to thrive. **ENCOURAGE** Council to focus on core city responsibilities, including infrastructure renewal and community development. **COLLABORATE** with other levels of government to address East Bethel's disproportionate burden of the region's social service challenges. For example, access to affordable child-care and convenient/reliable transportation which is a challenge for our area. **RESPOND** to community engagement and make sure all citizens' voices are heard. **RESPECT** the viewpoints of all citizens. **FOCUS** on economic development efforts and youth development.

With those efforts in mind, I believe I can serve the city and its citizens well, to keep East Bethel a great place to live. For today, tomorrow, and for our future generations to come.
